

## Conclusion Concentration

**Materials** index cards, crayons or markers

### Game Directions

1. Make a set of word and picture cards like those shown.
2. Mix the cards and spread them out face down.
3. Players take turns picking up any two cards and looking at them. If the cards go together, the player keeps them. If not, the player replaces them face down in exactly the same position.
4. Play continues until all the pairs are made.
