

# Snake Walk

**Materials** yellow and orange crayons

## Game Directions

1. Two players take turns reading a word on his or her snake and naming the base word.
2. If the base word did **not** change when the ending was added (as in *talked*), the player colors the space yellow.
3. If the base word changed when the ending was added (as in *dropped* or *smiling*), the player colors the space orange.
